Seminar on
Beyond Gender Binary: Issues of Gender Inclusivity and the Way Forward

Organized by
Women's Cell, Bikali College, Dhupdhara

In collaboration with
Women's Cell, Lakhipur College, Lakhipur

Date: 24/5/2023

Resource Person: Ritupartna Neog, Queer Activist, Founder and Director, Akam Foundation

An initiative was taken by Women's Cell, Bikali College and Women's Cell, Lakhipur College under the MOU between Lakhipur and Bikali College to bring awareness on the gender discourse. The programme was held jointly between both the colleges at Bikali College. Students and faculty members from both the colleges participated in the programme.

Neog deliberated on the fluidity of gender and how the third gender faces discrimination from both the society as well as the legal system. The programme was hosted by Secretary, Women's Cell, Bikali College Dr. Pranita Mahanta. Vote of thanks was proposed by Bijita Sarmah, member Women's Cell, Bikali College

Call for papers for National Seminar on **Indigenous Faith and Culture in India in the Context of Contemporary World** Organized by Folklore Society of Assam & Bikali College, Dhupdhara, Assam Date: 13th August 2022, Venue: Bikali College, Dhupdhara

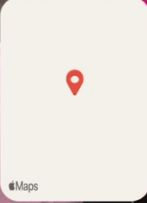

A national seminar will be organized jointly by Folklore Society of Assam in collaboration with Bikali College, Dhupdhara on the occasion of the Golden Jubilee celebration of Folklore Society of Assam on 13th August' 2022 with a day long programme at Bikali College, Dhupdhara. The topic of the seminar is Indigenous Faith and Culture in India in the Context of Contemporary World.

About the organizers
Folklore Society of Assam: It is a registered society under the Societies Registration ACT XXI OF 1860 which deals with folklore studies of the region. This society was established in 1969 and the founder president was Prof. Prafulla Dutta Goswami, doyen of Folklore in the country.
Folklore Society of Assam is an academic body engaged in research on different issues of folklore in north east India in general and Assam in particular. The society has been engaged in the study, collection, preservation, documentation and publication of folklore materials such as songs, tales, rites, riddles, proverbs, folk idiom, etc. of this region. The Society has published a good number of books

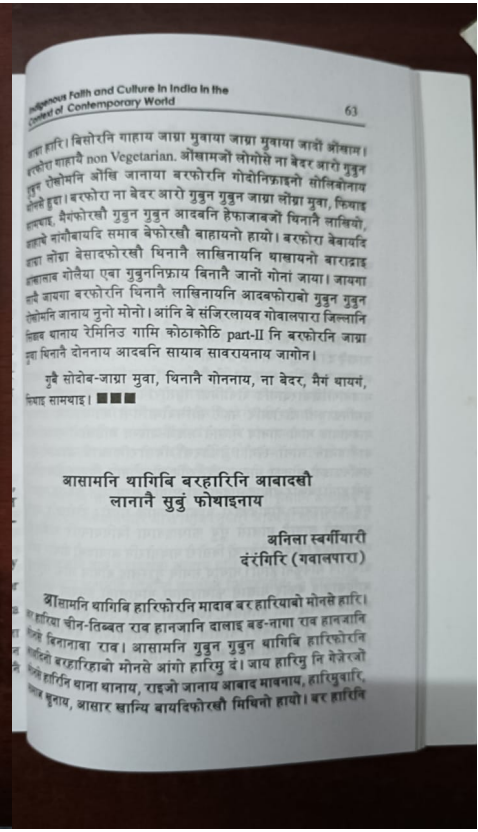

authored by renowned Folklorists along with high academic repute journal titled "*Janakristi*" has been published by the Society. It has completed 50years (golden jubilee year) of its establishment on 2019 but due to Covid-19 pandemic situation it was not possible to celebrate golden jubilee celebration in due time.

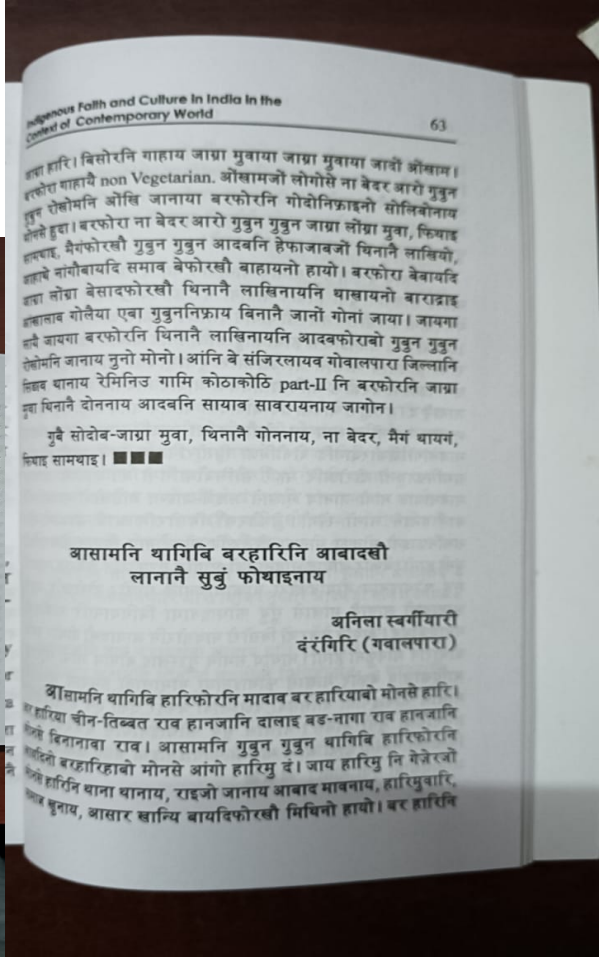

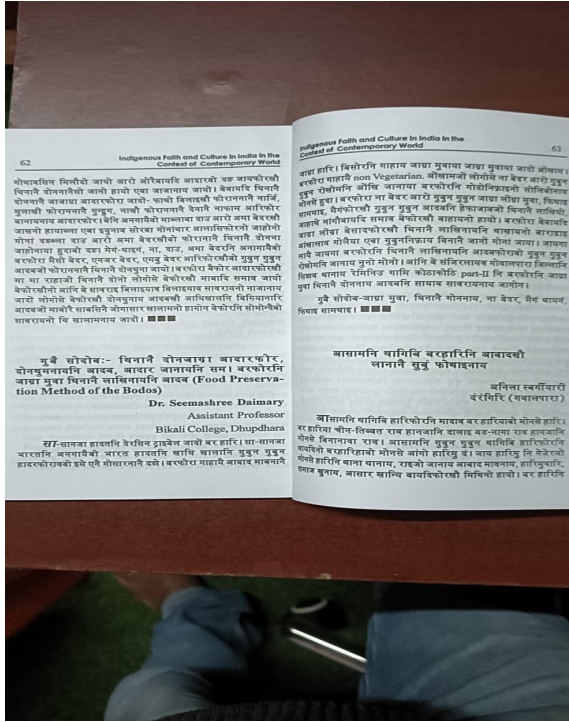

Bikali College: Bikali College is one of the premier institutions of higher education in the state of Assam. It is located at Dhupdhara, a township on the National Highway 37 in the easternmost part of Goalpara District of Assam. The college was established on 14th April 1982. The college is affiliated to Gauhati University and presently offering bachelor degree courses in Arts, Science and Commerce along with post graduate Master degree courses in Assamese and Geography. In addition to these courses, the college also offered certificate courses in Higher Secondary in all three streams under AHSEC. The college has also been able to receive UGC recognition of 2(f) 12(B) with effect from the 10th plan of UGC.
The college has a sprawling campus spreading over an area of more than 50 acres with modern infrastructure facility for teaching and learning. The college has, over the years build up an impressive infrastructure and is trying hard to create student-friendly in campus. ICT enabled classrooms, well-equipped computer laboratory, science laboratories, central library with internet facility, digital library, state of the art seminar and conference halls, language lab etc. are some of the teaching-earning facilities in the college through which students are exposed to have a better learning experience in the campus.

Concept Note
The term indigenous can be described as any ethnic group that resides in its original location, practices a traditional culture, and speaks their own language. Indigenous Faith and Culture deal with traditional religion of the ethnic groups as well as other cultural traits like customs, beliefs, rituals, festivals, performing art forms, different genres of oral literature etc. Assam is such a place where different ethnic peoples live together with their distinctive culture and faith.

ABOUT DUDHNOI COLLEGE

Dudhnoi College is the manifestation of the collective dreams of people of the locality and the result of their aspirations and perspirations. The college is located in Dudhnoi which is now headquarter of the Rabha Hasong Autonomous Council and is 110 k.m. from Assam's capital city Guwahati. The college had a modest beginning with Pre University (Higher Secondary) Arts classes in the year 1972 and degree classes of Arts stream in 1974. Later on Science and Commerce streams were added in session 1985-86 and 2015-16 respectively. Presently the college has 18 departments offering both honours and regular courses. Dudhnoi College has a pristine green and serene campus spreading over a vast area of 100 bighas of land.

ABOUT THE WORKSHOP

The National Education Policy 2020 was notified by the Govt. of India in July, 2020 that provides for a comprehensive, sustainable and reformative roadmap for a paradigm shift in the entire education system in the country. It aims at equipping students with knowledge, skills, values, leadership qualities and to initiate them for lifelong learning. The due focus is given to make education relevant to society, culture, tradition, economy, employability among other goals. The proposed workshop is aimed to create awareness about NEP 2020 among the participants and to familiarize institutions, faculties and student members with the skills required to understand the changes in curriculum shift in the pedagogical skills and its implementation as well as the challenges higher educational institutions come across while implementing NEP 2020.

SPECIAL CLASSROOM LECTURE ON UNDERSTANDING HISTORY THROUGH THE SONGS OF BHUPEN HAZARIKA DELIVERED BY DR. DHANMONI KALITA, ASSISTANT PROFESSOR, DEPARTMENT OF HISTORY

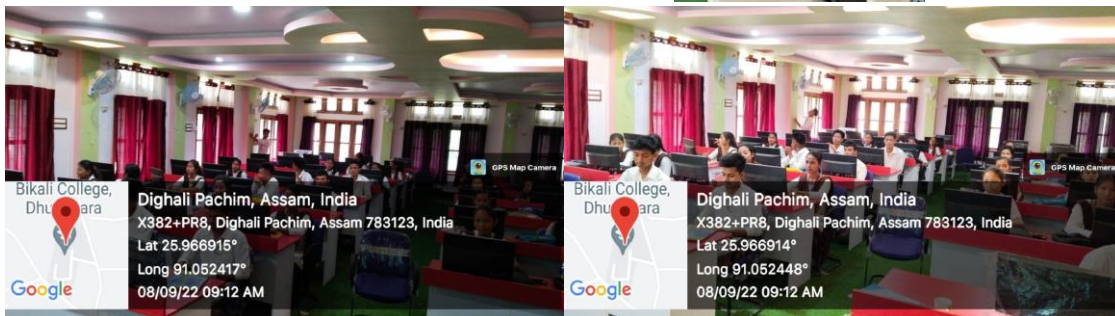

Dr. Dhanmoni Kalita, Assistant Professor in the Department of History, delivered a special classroom lecture on "Understanding History through the Songs of Bhupen Hazarika." This lecture aimed to explore how the songs of Bhupen Hazarika, a renowned Indian playback singer, lyricist, musician, and filmmaker, reflect and interpret historical events and cultural narratives. The lecture likely covered the socio-political themes in Hazarika's music, his influence on Assamese culture, and his role in highlighting important historical events and issues through his artistic expressions.

MISSION

The mission of Songs of Bhupen Hazarika is to preserve, promote, and propagate the rich musical legacy of Bhupen Hazarika, an iconic figure in Indian music and culture. The organization aims to keep his music and messages alive by making his work accessible to current and future generations. It strives to foster an appreciation for his contributions to music, literature, and social causes, and to inspire artists and audiences worldwide through his timeless songs and visionary ideas.

VISION

The vision of Songs of Bhupen Hazarika is to create a world where the artistic and cultural contributions of Bhupen Hazarika are recognized, celebrated, and cherished globally. The organization envisions a vibrant cultural landscape where his songs continue to resonate with people from diverse backgrounds, fostering unity, peace, and social justice. By promoting his works and values, Songs of Bhupen Hazarika aspires to build a more inclusive and harmonious society that values artistic expression and cultural heritage.

Date: 13/09/2022

Time: 11am

Venue: Computer Lab (Ground Floor)

Coordinator: Dinabandhu Kalita

In this digital era, online platforms play a vital role in connecting people and providing various services. CIC Orunodoi is one such platform aiming to enhance accessibility and convenience through its online services. Therefore, Department of economics, Bikali College, Dhupdhara has conducted a workshop on 'Awareness of Online Services' provided by the government through CIC of Orunodoi Kendra for the students of B.A. 1st, 3rd and 5th semester. The resource person of this workshop was Mr. Mostaque Gani, proprietor and instructor of CIC Orunodoi Kendra, Dhupdhara. He delivered a special lecture on the awareness of online service. The workshop was finally conducted successfully.

The workshop aims:-

- To introduce participants to CIC Orunodoi and its range of online services.
- To educate participants on the benefits of using online platforms like CIC Orunodoi for accessing services.
- To demonstrate the ease and efficiency of using CIC Orunodoi for various transactions.
- To encourage participants to adopt CIC Orunodoi for their service needs and promote digital literacy.

Outcome-

- Students became aware of the digital services.
- Access to use of various online platforms.

Workshop on IBM SkillsBuild For Job Seekers

IBM SkillsBuild is offering students opportunity to build job ready skills as per employers need. CSRBOX foundation and IBM SkillsBuild in collaboration with District Administration Goalpara provided an workshop/orientation to the students to avail more than 85,000 learning activities/courses provided by IBM for free. On successful completion of the courses, students can earn IBM certified badges & certificate which will help them showcase the latest industry-relevant skills they have acquired. The program was organised by Entrepreneurship and Skill Development cell, Bikali College in the Conference Hall in the presence of faculty members of the College and around 100+ students from various departments. Hands on training was provided to register to the courses.

NOTICE

Date: 20-06 2023

This is general information to the students of Bikali College is that the Department of Mathematics, Bikali College in association with Department of Geography, Bikali College are going to conduct jointly a **Workshop on “Practical Teaching of Mathematical Modeling”** under the program Play With Math-Fun and Easy.

Objective of the Program: The main objectives of the programme are

- (i) To provide fundamental knowledge to the students about Mathematical Modelling.
- (ii) To provide hands on training to the students to solve practical problems in daily life with the help of Mathematical Modelling.

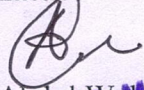

The interested students are hereby asked to attend the session in the following time scheduled

Departmental Workshop on
“Practical Teaching of Mathematical Modeling”
A program under play with Math-Fun and Easy.

Organized by
Department of Mathematics, Bikali College
In Association with
Department of Geography, Bikali College

Name of the programme: One Day Workshop on Practical Teaching of Mathematical Modeling.

Date: 23-06-2023

Time: 10 am

Venue: Conference Hall, Bikali College, Dhupdhara

Objective of the Program: The main objectives of the programme are

- (i) To provide fundamental knowledge to the students about Mathematical Modelling.
- (ii) To provide hands on training to the students to solve practical problems in daily life with the help of Mathematical Modelling.

Summary/ Particulars:

The program was conducted under Chairmanship of Dr. Bonti Bordoloi, HoD, Department of Geography, Bikali College. Mrs. Jeuty Talukdar, faculty member, Mathematics delivered the inaugural speech. Dr. Abdul wahed, HoD, Mathematics discussed about mathematical modeling to solve the problems in daily life. Mr. Alindo Hazowary, faculty member, Geography demonstrated some practical apparatus of the department which are helpful to construct a modeling. Tap, Scale and Theodolite were used by the students to measure distance, vertical and horizontal angle (angle of elevation angle of depression). Other faculty members of Geography department also attended in the session.

Total No. of Participants: Forty five (45) students of Bikali College participated in the workshop.

Outcomes of the program: After attending the workshop the students learned to measure horizontal and vertical distance (height) using Tap. Scale and Theodolite.
