**Bikali College Mentoring Programme**

**NO STUDENT LEFT BEHIND!!**

- What is mentorship?

The basic goal of mentorship is to overcome the limitations that are characteristic of classroom teaching and learning and reach out to each student to know their specific needs and requirements and aid each student accordingly. Mentorship requires active participation of both mentor and mentee.

- What are the objectives of Bikali College Mentorship Programme?
  - To ensure all round development of the student.
  - To ensure they are not just passive members but also active agents of their own growth and development.
  - To ensure all opportunities and avenues are provided to each student.
  - To ensure constructive criticism is provided wherever possible.
  - To ensure that the student is not discriminated on grounds of their sex, caste, ethnicity, language, religion or disabilities.
  - To ensure **NO CHILD IS LEFT BEHIND!!**

## **Bikali College Mentoring Programme Reports (2021-2022)**

The Bikali College Mentoring Programme was discussed in the faculty meeting held on 29.01.2022. The IQAC proposed a rejuvenation of the old mentoring practice following a systematic and scientific method of mentoring with use of ICT tools.

Thereafter mentorship charge was handed to all faculty members (sanctioned and non-sanctioned) on 8 February, 2022 after chalking out a proper plan. Total of 27 students each was assigned to total 54 faculty members. A vibrant Mentoring Programme is in progress between mentors and mentees.
