All department should get equal respect

Very good

No suggestion

This syllabus book is not available

No

Nothing

No suggestions

Yes

Very good

Extra classes

Skill development

Nothing

It will help me to my future studies

I don't know

I don't know.

To give more attention in practical work

To give more attention in practical work

Skill bess education

No suggestion

Some job related skills

Practical problems

Practical problems

Change our syllabus and provide new syllabus for make better career

To give attention in prectical Work

To give more attention in practical work.

Book is not available by bodo department

Because Bodo department is many books.syllabus is some corrections.

Because Bodo department is many books syllabus is some correction

Humen Right

Value education, skill development course.

This syllabus book is not available.

This syllabus book is not available.

Provide extra class

Provide appropriate classrooms, introduce students to technology , involve students in digital systems , strive to develop the talents of all students , explain the curriculum and students to study it .

Classes should be taken early and finished early one month before the exams

NA

The present syllabus should be updated

To give more attention on practical work

No suggestion to improve syllabus

- 1.Extra classes for syllabus based.
2. Choice base career course provide for students.

Give notes for every syllabus

Give notes for every syllabus

Give notes

All good

Political development

Value education, skill development course,

Every things is ok for me

The curriculum is well organised

Give the students practical knowledge about the topics . And teach the students to think outside of the syllabus , such as - by giving examples about the topics that is being discussed .

Improve teaching technics of science classes.

Proper books

I have no idea

Verey good

Average

Give an overview of the course's purpose

To give more attention on practical work

Increase classes.

N/A

Please make some syllabus so that we student can join industries as freshers after completing degree

To speak more English during class

It's fine 🙌

Curriculum development and emphasis on practical aspects to improve skills

It's already good enough

Skill Based teaching

1st improve our department and class room facility

2nd Give an overview of the course's purpose.

3rd Improve computer lab

4th cover the basic knowledge of stock market practically

I'm happy with ur contents

NO

no

Very very grateful and more focus should be given and plasment

Try to increase students interest in the studies

Back bancher keitak o xomane gurrotyo dibo lage .

Dip boro

I would like to suggest to integrate practical application and real-world example into the curriculum to enhance student engagement and promote practical skills development.

Assamese

good

.

Include more important material

Facilitate developing confidence to complete

I no

Please include more technology for teaching and learning

All syllabus clear

I would like to suggest to Integrate practical application and real-world examples into the curriculum to enhance student engagement and promote practical skills development.

Very Good

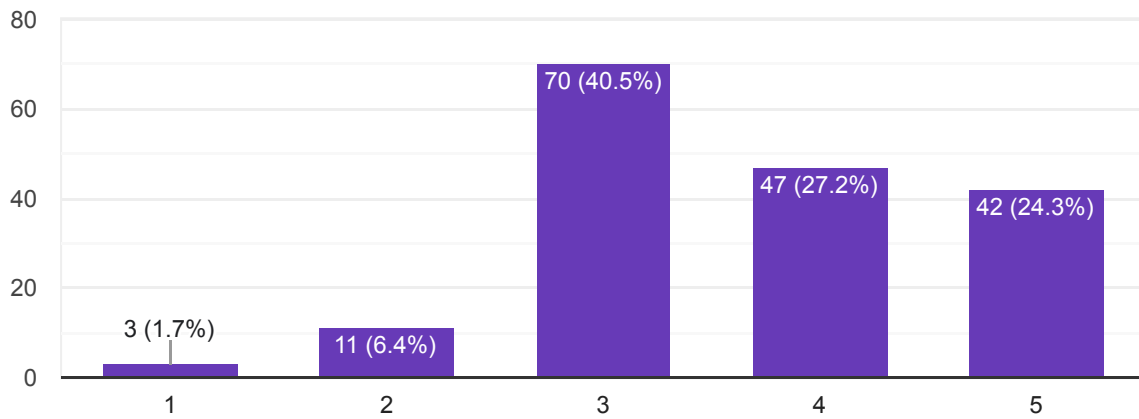

I have no suggestions

I'm satisfied

yes

No.but work is pending

No but work is pending

Canteen,

Perfect

Provide us girls gym

Work is pending

Provide us girls facilities.

Need to improve washroom.

Provide smart classroom .

Toilet water facilities improve

Time management is needed more classes are not doing according to time table(routine)

College authorities must give attention on cleanliness of washrooms. The condition laboratories of the college are not so well . So they must pay attention on that as well.

To give attention on extra curricular activities

No

No suggestion.

Daily provide activities

Compulsary for all students extra class

Compary for all students extra class

Do more work for development of infrastructure of the college

Need to improve all of them

Canteen

Science lab need appartus for a degree course.

Technology

Create more rooms

Try to keep more books of science

Nil

Measure the Student exam result Outcomes and Improve

Washroom should be kept clean,, water facility and large dustbin should be provided..

Washroom should be keep cleaned

Toilets should have bucket

No suggestions

Verey good

Commerce toilet door is broken

Introduce Innovative Infrastructure and Technology.

No comment

More cleanliness on washroom..Please if possible provide handwash and all-time running water

N/A

Wifi internet

Management

Improve cleanness

There should be good facilities like fans , benches,blackboard etc

There should be good facilities like fans, benches, blackboard etc.

Keep the girls common room clean and hygiene

Need to develop

improve playground, improve sitting area, improve bike and cycle stand , improve college gate and wall , developed college website

It's already good enough

best teacher

1st you improve commerce Department block

I'm happy with and still our college need to develop better

They should give the facilities like fan,benches, blackboard etc

no

They should give the facilities like fan benches black board etc

Very very grateful and more focus should be given and plasment

They should give the facilities like fan.benches.blackboard etc

They should give the facilities like fan,benches,blackboard etc

Improve education quality.

No comments

College playground is very poor please upgrade it

God

There should be good ventilation in the class room along with facilities like fans, light, benches, chairs etc.

Girl washroom need to be improve

good

Girl's Washroom cleanliness are poor facilities

Washroom need to be improve

Need Develop

Good

make more digital class room

Nothing

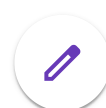

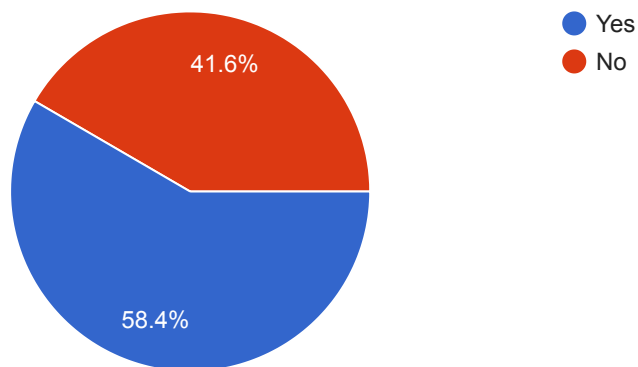

I have no suggestions

No

Yes

Good

Good

Classes should be regular

No suggestion

Nothing

No suggestion

Everything is good

No

No suggestions

Teacher need more friendly nature

Learning about teacher education

Classes should be regular.

yes

Better than now

Excellent

I am suggesting to improve washroom

.

They should try to reach every student and ask for their doubts.

They should try to reach every student and ask for their doubts

Very good

Happiness

Slove the problems with teachers

I don't want to

I don't want to.

Utilize the latest technologies, Encourage cooperative learning

Teachers need more friendly nature

Yes .. helpful And Good process

Need more digital classroom

Zoology department Perfect teachers no suggestions ..

Classes should be regular.

Nothing to say

No all teachers give perfect guidance

I am suggesting to improve washroom

I am suggesting to improve kentin

I am suggesting to improve college canteen

I am suggesting to improve college canteen

I am suggesting to improve college cantten

Teaching process is ok

Ok

Improve the study method , provide digital teaching learning process, improve the curriculum process, discuss the text with students, debate competition among students on topics related to reading etc .

So that the teacher answers and explains well

Only time management is required

No comments 😊

Mandatory for all

Improving the educational system

Improving the educational system

Face to face discussion for all kind of educational problems.

Improve to understand the concept of subject

Good relationship between teachers and students are improve teaching, learning and evaluation process.

I think all good in my college. but I want need a improvemrnt day by day.

Learning

Teachers need to be more friendly , so that the students can express their problem . Teachers while teaching need to give examples of todays reality .

There's a lot to say but don't want to say now.

Nil

Start small , think big

Try to reach every student and ask for their doubts.

No suggestions.

Weak students must be given special attention.

Differentiate between students.

No comment

No need to suggest because our Teacher's are amazing love there teaching skills everything they makes easier to understand

N/A

Learning with enjoying

Don't try to feel students shy, teach by digital curriculum, timeing

Good

But need better

Everything is good

They should give all facilities to us

They guide well

Speack in English in English class

Need to be more co operative

Focus on practical /workshop/intership/field study/educational tour for increasing skills

It's already good enough

more learning equipments

Nothing to say....

If teaching in English language with be far better

no

They should try to reach every student and ask for their doubts.

Enhanced digital classroom should be included for better learning process.

Enhanced digital classroom should be include for better learning process.

Enhanced digital class room should be include for better learning process .

They should try to reach every student and ask their doubts

Yes.

Improve education quality.

Treat backbanchers equally

Teachers needs to know about the students home condition

Everyone who remembers his own education remember teachers.

There should be team work and group study

very good

Give case studies and assignments

More digital

Nothing

Excellent

Very good

Explanation with English will be better than local language
