Principal's Message

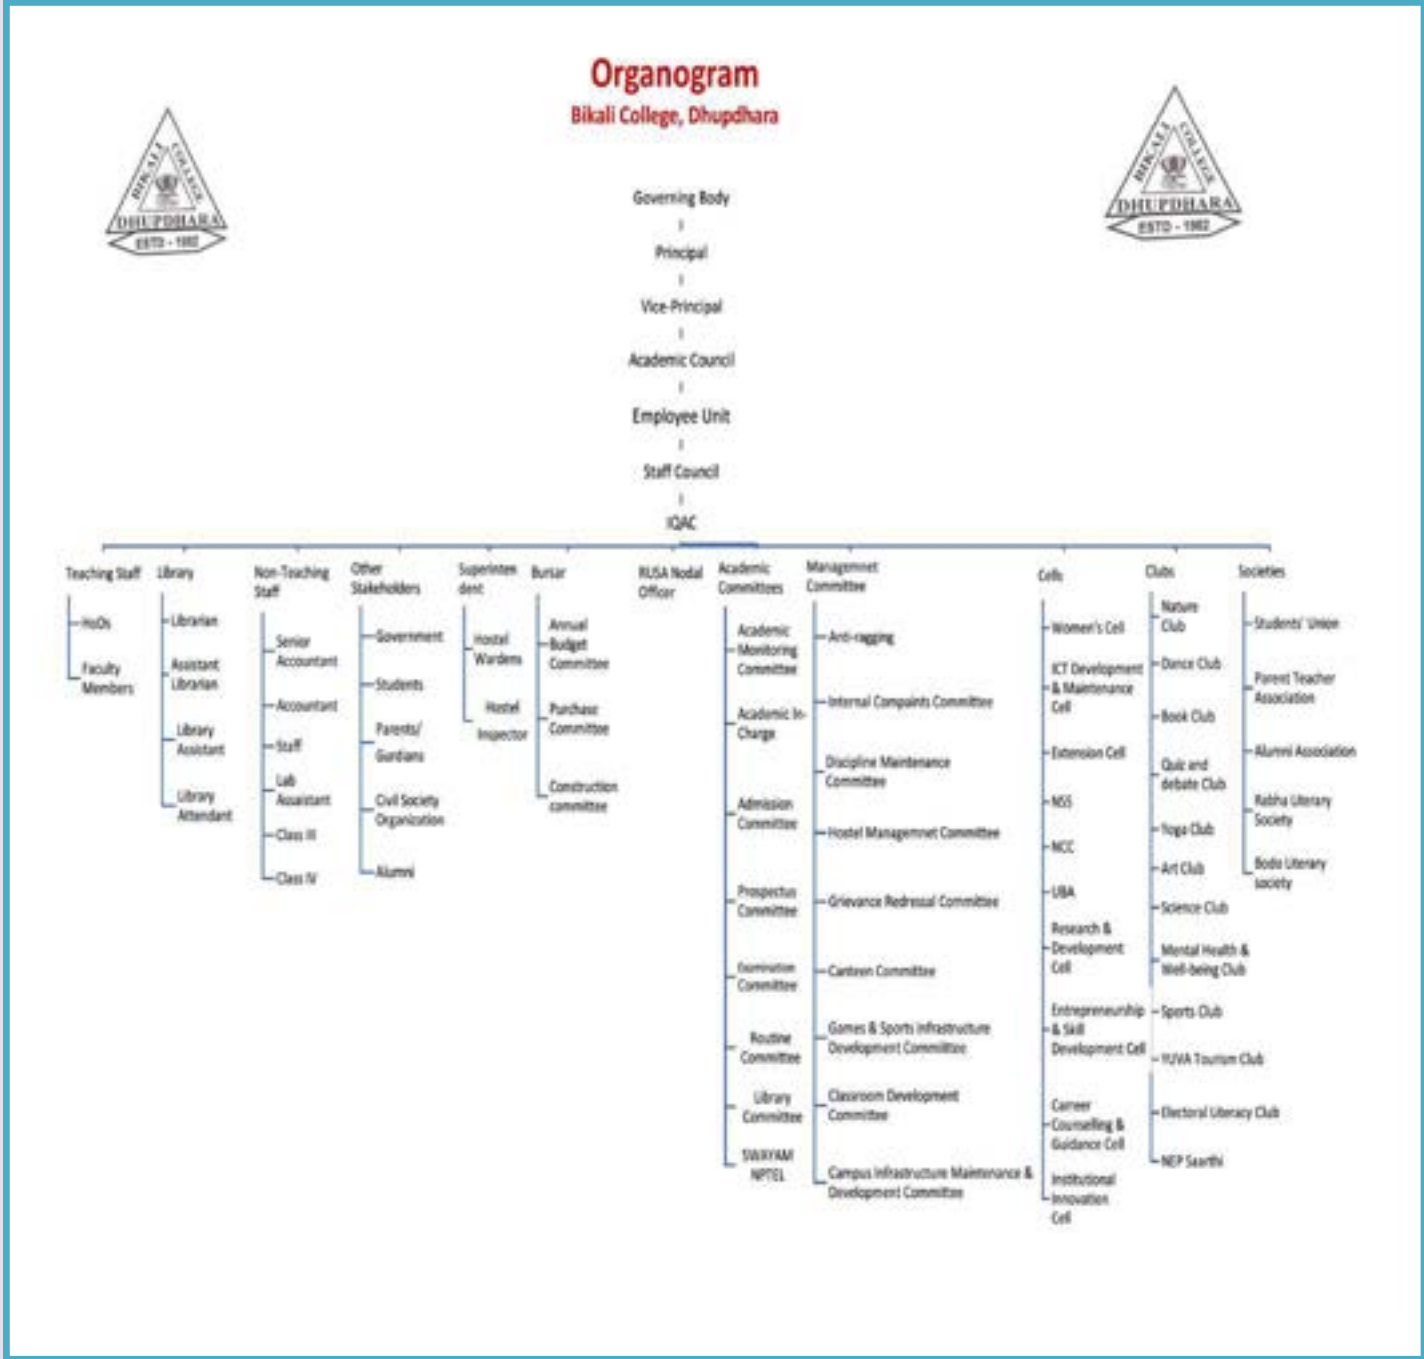

Dr. Monoj Gogoi, M.Sc, Ph.D

I have the privilege to welcome you all to this premier institution of higher education. Bikali college is trying its best to provide unique and excellent opportunities to the student for the development of their young minds in a secular and conducive atmosphere. The institution sincerely believes that student should not only excel in academics but should also develop courtesy, discipline, smart personality, social sensitivity and be imbued with the traditional values and ethos of our society. It is my duty and responsibility to assure you all that the central focus of the institution will always be student-centric development as our founders have envisioned it to be.

Dear students, education drives away ignorance and through illumination it emboldens a man to a righteous path. It empowers everyone and enlarges the horizon of the mind. It is with immense pleasure that I proudly place on record that Bikali College has all the facilities required for continual growth in the academic arena and the college fraternity is imbued with a sense of commitment to fully meet the expectations of the students, parents, and the society at large. The College is known for discipline, punctuality and regularity of classes. We emphasize on the individual care of each and every student through mentoring system along with regular parents-guardian interaction. Now we are striving for a vibrant and dynamic environment and are preparing ourselves to welcome new batch of students for the academic situation 2024-2025.

I welcome you all to this new academic year and am looking forward to a brighter, empowered tomorrow.

A Brief History about Bikali College

Bikali College is one of the premier institutions of higher education in Assam. It is located at Dhupdhara, a small town on the National Highway 37 (New NH17) in the eastern most part of Goalpara district of Assam.

Bikali College was established on 14th April, 1982 owing to their relentless efforts and the missionary zeal of the 52 villages of the Bikali Mouza towards providing quality higher education to the local students. The Bikali Mouza Unnayan Samittee, a philanthropic socio-economic organization of Bikali Mouza was instrumental in nurturing and shaping the institution. Bikali College is a testimony to the far sightedness of its founding members and their indefatigable zeal to actualize their dream. From a makeshift wood and bamboo structure with only few students in Pre-University classes in Arts stream, the college has come a long way to where it stands today with a sprawling campus well equipped with modern amenities.

The college is currently affiliated to Gauhati University and is presently offering under graduate courses and along with post graduate courses in Assamese and Geography. The Arts stream of the college was brought under Deficit Grants-in-Aid schemes of government of Assam in 1992 and it was subsequently provincialized in the year 2005 . In the course of its growth and development, the Commerce stream and Science stream were introduced in the college as self-financed course in the year 2005 and 2015, respectively. In addition to these courses, the college also offers certificate courses to students in all the three streams. The college received UGC recognition of 2 (f) and 12(B) with effect from the 10th Plan of the UGC.

The college has a sprawling campus spread over an area of more than 50 acres equipped with modern facilities for teaching and learning. The college has, over the years built an impressive infrastructure and is trying hard to create a student-friendly environment in the campus. ICT enabled classrooms, well-equipped computer laboratory ,science laboratories, central library with internet facility, digital library, seminar and conference hall etc. are some of the teaching-learning facilities in the college through which students are exposed to better learning experiences in the campus.

To nurture the hidden talents of students in co-curricular and extracurricular activities, the college has indoor and outdoor stadium, various literary and academic societies, NCC, NSS unit etc. Presently, the NCC unit of the college has 100 cadets and another 21 cadets will be enrolled in this academic session (2024-2025).

The institution is committed to pursuing its prime objectives of providing quality and inclusive education on the basis of the values that form the core of the college. The college is committed to breaking barriers brought about by its remoteness and aspires to emerge at par with top educational institutions utilizing local knowledge and expertise combined with global skills and innovation. Based on our experiences and achievements, we firmly believe that we will be definitely able to march ahead on our journey to achieve the academic excellence that the founders of the college had dreamt of.

FYUGP (Four Year Undergraduate Programme)

The Four-Year Undergraduate Programme (FYUGP) was introduced by Gauhati University in 2023 as per the Guidelines of the National Education Policy, 2020. Bikali College, Dhupdhara as an affiliate of Gauhati University introduced the FYUGP in the same year following which the Choice Based Credit System (CBCS) was revised providing learners with more innovation and flexibility. Additionally, an Academic Bank of Credit (ABC) has also been established to store all academic credits from various recognized HEIs.

The FYUGP is different from CBCS as FYUGP offers multiple entry and exit points and reentry within this period, with appropriate certifications such as:

- A certificate after completing 1 year (2 semesters)
- A diploma after completing 2 years (4 semesters)
- A bachelor's degree after studying 3 years (6 semesters)
- A bachelor's degree with Honours after studying 4 years (8 semesters) if the student completes a rigorous research project in their major areas of study.
